Academic Record (Pre-Engineering):

Course	Institution/Board	Year	CGPA
X	SSC	2017	3.9/4.0
XII	SBTET	2020	3.9/4.0

Academic Record (Engineering):

Semester	Month, Year of Passing	SGPA/10
III	February 2021	8.1
IV	August 2021	7.48
V	January 2022	7.30
VI	June 2022	8.9
VII	November 2022	8.57
VIII	March 2023	10.0

Projects:

❖ Recommendation systems

I spearheaded the development of a cutting-edge recommender system project, leveraging advanced algorithms to analyze user preferences and deliver personalized recommendations. Through meticulous data preprocessing and model training, I optimized recommendation accuracy, enhancing user satisfaction and engagement. Employing collaborative filtering and content-based techniques, I engineered a scalable solution capable of handling large datasets, demonstrating proficiency in Python and machine learning frameworks. This project not only showcased my expertise in recommender systems but also highlighted my ability to innovate and drive impactful solutions in data-driven environments.

Skills:

- ❖ JAVA, C, PYTHON languages
- ❖ Web technologies HTML, CSS, JS
- ❖ Data Structures
- ❖ MERN stack
- ❖ Good knowledge of DBMS and SQL
- ❖ Good at oral and written communication

Achievements:

- ❖ Participated in debates conducted in our school.
- ❖ Secured second place in QUIZZ conducted in the college.
- ❖ I participated in PCB Design Workshop.
- ❖ I have experience in Fire and Safety, and I Participated in fire and safety drill.

Certifications:

- ❖ Certified course on Cloud Computing NPTEL-SWAYAM (IIT-MADRAS)-60%
- ❖ Certified course on Introduction to programming using python by Microsoft Technology Associate.

Strengths:

- ❖ Adaptable to new environment
- ❖ Curious to learn new things
- ❖ Perseverance, Teamwork
- ❖ Communication skills

Hobbies:

- ❖ Reading books and magazines.
- ❖ Going out with Friends.
- ❖ Exercise.

I, hereby certify that all information provided above is true to the best of my knowledge and belief.
